The workshop will be dedicated to the work of Frédérique de Vignemont (Institut Jean Nicod, Paris) who focuses on bodily awareness, self-consciousness, and social cognition. The workshop will have two parts. In the morning part, Frédérique de Vignemont will give a lecture on the feeling of fear. In the afternoon, we will discuss Frédérique de Vignemont's book *Mind the Body: An Exploration of Bodily Self-Awareness* (Oxford UP, 2018) as well as more recent works by the author.
