

TOPOLOGY OF THE CULTURE
WORKSHOP WITH J.-M. SALANSKIS
11.-12.5. 2015, PRAGUE

Organized by the Department of Contemporary Continental Philosophy, Institute of Philosophy,
Academy of Sciences

We would like to invite you for the workshop focused on the thought of Jean-Michel Salanskis, professor of systematic philosophy at the University Paris Ovest, and his „topology of the culture“. Jean-Michel Salanskis combines in his thinking philosophy of mathematics, formal hermeneutics, mathematical topology, analytic philosophy and contemporary continental philosophy, especially the phenomenological tradition. The format of the workshop enables detailed study of presented ideas, thorough philosophical discussion and openness for new inspirations.
