FACES OF SUBJECTIVITY

September
10 – 12, 2026

A workshop on inner awareness in the context of
monistic theories of phenomenal consciousness

Thursday, September 10

- 14:00–15:30 Anna Giustina (Valencia), "The Structure of Inner Acquaintance"
- 15:30–15:50 coffee break
- 15:50–16:35 Jacopo Pallagrosi (Liège), "The Acquaintance Trilemma: Knowledge, Consciousness, and Mental Qualities"
- 16:35–17:20 Maik Niemeck (Marburg), "Adverbialism about Inner Awareness is Feasible"

- 15:05–15:25 coffee break
- 15:25–16:10 Jacek Jarocki (John Paul II Catholic University of Lublin), "A Farewell to Descartes: Epistemological Monism and Panqualityism"
- 16:10–16:55 Jakub Mihálik (Czech Academy of Sciences), "Inner Awareness, Intimacy, and the Naturalization Challenge"
- 19:00 conference dinner

Friday, September 11

- 9:30–11:00 Sam Coleman (Birkbeck College, University of London), "Transparency and the Reduction of Consciousness"
- 11:00–11:20 coffee break
- 11:20–12:05 Adriana Renero (UNAM/CUNY Graduate Center), "Kripke and Lewis on Subjective Character and de se Beliefs"
- 12:05–13:35 lunch
- 13:35–14:20 Rituparna Roy (University of Porto), "The Experiential 'I': Subjectivity Without the Selfhood in Buddhist-Brentanian Account of Reflexivity, Intentionality and Consciousness"
- 14:20–15:05 Andrea Pace Giannotta (Niccolò Cusano University, Rome), "Radically Embodied Panqualityism and the Mind/ Flesh Identity Thesis"

Saturday, September 12

- 9:30–11:00 Robert J. Howell (Rice), "The Epistemic Aspect of Consciousness"
- 11:00–11:20 coffee break
- 11:20–12:05 Alberto Barbieri (University Vita-Salute San Raffaele), "From Intimacy to Qualitative Character: A Deeper Case for the Acquaintance Theory of Consciousness"
- 12:05–13:35 lunch
- 13:35–14:20 Milan Zeman (Charles University), "Is Inner Awareness Sufficient for State Consciousness?"
- 14:20–15:05 Fatimaezzahra Abid (Mohammed V University), "The Presence of the Self: Ibn 'Arabī on Operative Subjectivity and the Failure of Representationalist Monism"
- 15:05–15:25 coffee break
- 15:25–16:10 James Hill (Charles University), "Active Subjectivity: A Berkeleyan Account"
